

ADVANCED PLACEMENT

Advanced Placement Examinations

Freshmen admitted to the University of Tennessee, Knoxville, may receive credit on the basis of performance on one or more of the **Advanced Placement** Examinations offered each May by the College Entrance Examination Board (CEEB) in these

subject areas. The tests are usually taken by high school students during their junior or senior year. The Advanced Placement scores and test booklets are sent to the Director of Admissions at UT sometime in June or July. See the chart for details on Advanced Placement scores and awarded credit.
