

**The University of Tennessee, Knoxville
College of Engineering Pre-College Summer Programs
Counselor Application 2017**

The University of Tennessee is seeking counselors for the 20th Annual Summer Engineering Pre-College Programs. Each program provides hands-on learning experiences designed to motivate high school students who have the interest and aptitude to consider careers in engineering. Participants learn about careers in engineering, explore the UT campus, tour engineering labs and facilities, and have an opportunity to jump start their academic career. For more information, please visit the following website: <http://www.engr.utk.edu/diversity/pre-college/>.

Name: _____ Phone: _____
 Address: _____ Email: _____
 City: _____ State: _____ ZIP Code: _____
